

## MA'AT ENTERPRISES WINS INDIAN HEALTH SERVICE CONTRACT

**Ma'at Enterprises, Inc.** is proud to announce that **Indian Health Service** — an operating division within the U.S. Department of Health & Human Services — has awarded Contract #75H70521P00028.

As a 100% Native-Owned Small Business, **Ma'at Enterprises** is capable of providing medical personnel services for administering COVID-19 vaccines. Our staff operate with the highest standards and principles that support legal and ethical business practices. Our guiding principles embody an environment where employees are empowered and can flourish, and clients may fully benefit from our specialized capabilities. We combine the knowledge and skills of our staff with strong and innovative project management leadership to plan, implement, control, and monitor our client's goals. Our rigorous quality assurance methodologies are developed to ensure excellent customer service, ensure our services are complete and consistent high quality on time and within budget.

**Indian Health Service** is the principal federal health care provider and health advocate for Indian people. It provides health care in 36 states to approximately 2.2 million out of 3.7 million American Indians and Alaska Natives. Thirty-three urban Indian health projects supplement these facilities with a variety of health and referral services. Several tribes are actively involved in IHS program implementation.
