

MA'AT ENTERPRISES SELECTED AS AN INNOVATION PARTNER FOR MICROSOFT'S CENTER OF EXCELLENCE HEALTH EQUITY INITIATIVE

Ma'at Enterprises, Inc. has been selected as an Innovation Partner for **Microsoft's Center of Excellence Health Equity Initiative**.

A **Microsoft Center of Excellence** “means investing in and nurturing organic growth while maintaining governance and control. A CoE is designed to drive innovation and improvement, and as a central function it can break down geographic and organizational silos. A CoE can be a powerful way for an organization to align around business goals rather than individual department metrics.”

The goal of the **Health Equity Initiative** is to reduce “health inequity and improving access to care for underserved populations.”
